FOREWORD

Knowing that memory is sometimes an inaccurate recorder of events and feelings, we, the members of the Class of 1959, do set down in words and pictures the story of our four years in high school in this, the 22nd edition of the *Pegasus*. We have attempted to capture some of the gay and serious moments, the important happenings, and the many various personalities that have made up the wonderful high school era of our lives.

In order to present this book to you, the staff has decided to let each class represent a division of Disneyland. The freshmen are in Frontierland where everything is new and the whole world is waiting for them to explore. Sophomores are in Fantasyland where things are bright, gay, and magical. The realm of Adventureland awaits the juniors, who have just begun the excitement and adventure that goes with being upperclassmen. And, of course, the seniors are in Tomorrowland, for the world of tomorrow truly belongs to them, the builders and citizens of tomorrow.

DEDICATION

To Mr. Phillip Q. Stumpf, superintendent of the Paulsboro schools, we, the members of the staff, would like to dedicate this 22nd edition of the *Pegasus*.

Mr. Stumpf has served Paulsboro well for 34 years. He started as a history teacher who gave of his time and energy coaching sports. In 1943 he assumed the responsible position of principal of Paulsboro High School, continuing his interest in the welfare of the students in his care.

Mr. Stumpf's faithful service in these two positions was recognized in 1951, when he was made superintendent of the Paulsboro school system. Since then he has worked without ceasing to make the schools of Paulsboro even better than they have been in the past, and to help them meet the challenge of the future.

It saddens us to think that this is the last year Mr. Stumpf will be with us, for he is retiring in June.

As we graduate and leave high school behind, he will be a part of our happy memories of Paulsboro. We wish for him the very best that life has to offer.

ADMINISTRATION

The students of Paulsboro High School looked to Mr. Stumpf and Mr. Creamer for inspiration and help. Their offices were always opened for conferences with students who had problems.

Mr. Lazevnick was very capable in upholding his duties of keeping the students in their classes.

CLASS HISTORY

The class of 1959 began as a group of about 180 students—in many ways strangers to each other. We still remain 180 individuals, but as a group we are very different. Our personal heritage still varies in countless ways. Each of us has his private hopes and aspirations. Yet all of us have shared in one great experience, and through this experience we have grown into a single unit.

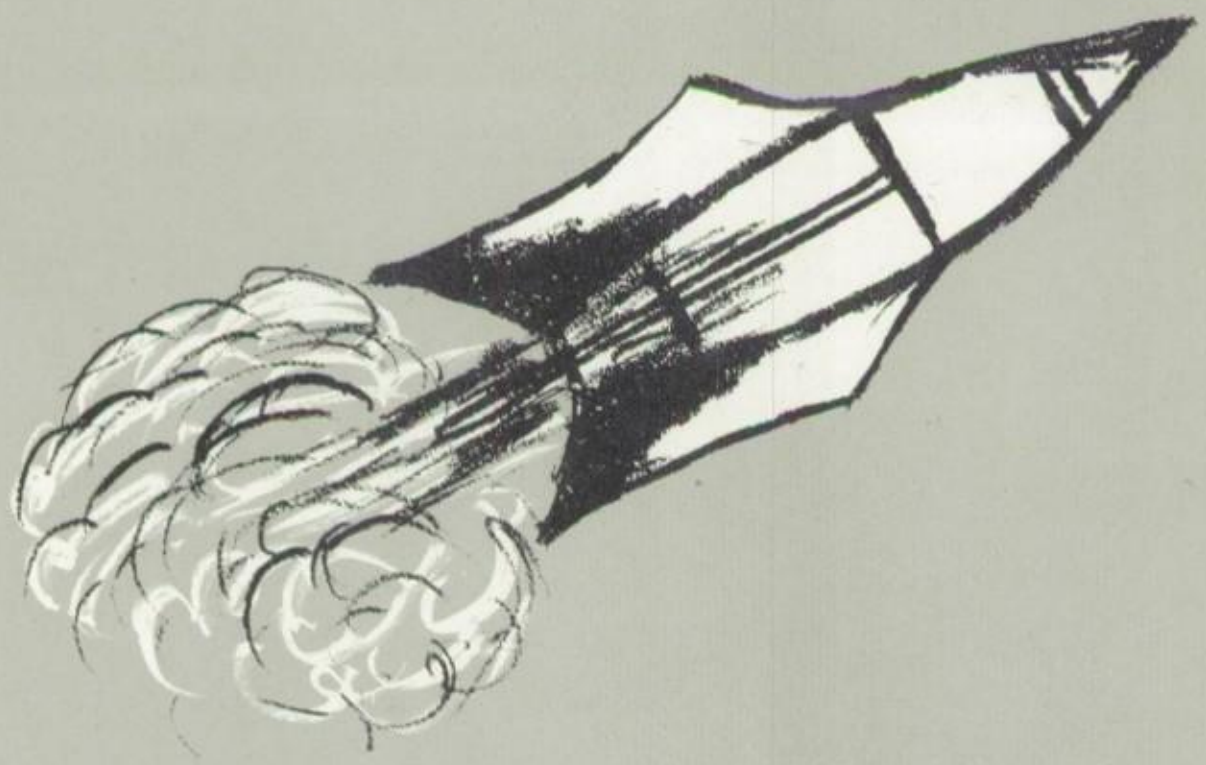
For four years we have worked, studied, and celebrated together. We have rushed to class, felt apprehensive about exams, and been exhilarated before a vacation or after a victorious football game. All of these things and more we have done as a single body. These activities and emotions are what constitute "going to school."

By belonging to the class of 1959 we have learned what it is to be part of a vital living group. Without all its members our class would not be the same. Each of us is an integral part of our class history.

We entered Paulsboro as the youngest members of the student body. We were filled with anticipation and uncertainty as we strove to make ourselves a part of an already established organization. The first step in our climb towards our goal of unity was electing our class officers. We chose Harry Sparks, Roscoe Carter, Diane Chell, and April Villanova to lead us during this first year in a new frontier. With experience behind us and opportunity ahead we entered our sophomore year.

As sophomores we chose Roscoe Carter, Elaine Snyder, April Villanova, and Ronnie DiNicola to lead us. Our first social undertaking was that of the Freshman-Sophomore Reception which proved to be a tremendous success. We were now a firm part of the P.H.S. student body. With eagerness and determination we entered our junior year.

Roscoe Carter, Tom Cassidy, April Villanova and Diane Chell were chosen as our class officers. Here was a class willing to work and one capable of doing anything put before us.



Our Junior Play, "A Little Honey," was both successful and enjoyable. We gave the annual prom at the end of the school year which was, for the first time, an all night affair. One of the first of many important precedents set by the class of 1959.

For three years we were building ourselves into a senior class worthy of Paulsboro High School. Now we have reached our goal. Don Lang, Tom Dudzinski, Lucy Wyatt, and April Villanova were chosen to lead us in our final year of triumph.

Athletically, scholastically, and socially we led our school. Sparked by the inspiration and play of several senior boys, our football team won both the Colonial Conference and Group III championships in South Jersey.

The Alumni Dance in November was both entertaining and financially successful.

We set two more precedents this year. First the yearbook colors were changed from the previous maroon and silver to our true school colors of red and white. Secondly, there was the establishment of Senior Week from January 12 to January 16, which received great support from both students and faculty.

The past four years have given each of us some memorable experiences which we will never forget. When it comes our turn to march at graduation in June we shall all be looking back with sadness at what we must leave behind. We shall leave Paulsboro High School with memories of four wonderful years of work, fun, and growing up.

We gained more than academic knowledge; we have matured as individuals and are now prepared to set out on our various paths in the road of life.

P.H.S. we sing to thee
Alma Mater dear,
Cherished will our memories be
Of the hours spent here.

JUNIOR CLASS HISTORY

In September, 1956, the present Junior Class began their great adventure. With all those rumors going around Paulsboro High was certainly a Fantasyland. Wayne Myers was elected President with Judy Cassel as Vice President. Bonnie Kamman was the class Secretary and Nick Duca was Treasurer.

The next year was a Frontierland with so much to be accomplished. Nick Duca was their leader then, and Bonnie Kamman was Vice President. Eleanor Leone was Secretary and Alice Eiden was Treasurer.

The Junior class elected their capable officers this year, in Adventureland with Nick Duca at the head. His assistant was Alice Eiden. Eleanor Leone held the office of Secretary, while Mary Funari handled the money. With the purchase of their class rings, they became full-fledged Juniors.

Seven of their members ably represented the class in the school play—"The Remarkable Incident at Carson Corners." They were Jerry Delamater, Bruce Jenkins, Judy Swed, Jo Ann Pollicino, Rita Centofanti, Dianne Drummond, and Mike McGlincy.

Next year, in Tomorrowland, they will be the leaders, and in view of their present accomplishments, we're sure they have the ability needed.

SOPHOMORE CLASS HISTORY

The Sophomore Class this year has been very enthusiastic about school activities. Many of our boys have taken part in football, basketball, and the other major sports. Our girls have participated in hockey, basketball, tennis, and cheerleading. Our great high school band also includes many sophomores.

The campaign for electing the class officers this year was very exciting. Sheryl Swed was chosen President; Robert Todd Vice-President; Connie Di Bona Secretary; and Lorraine Riccobono Treasurer.

The Freshman-Sophomore Reception turned out very well because many of the students supported it. Entertainment and refreshments were provided and enjoyed.

The Sophomore Magazine Drive was handled very capably by Miss Vonada. The total sales amounted to $4426.69. The secretaries appointed in the homerooms were: Jean Carfagno, Toni De Frank, Alverna Field, Carole Hanel, Ruth Riccobono, Marianne Sadlaskos, Sheryl Swed, and Donna Willis.

Our Sophomore year has proven to be a great year and we hope to do as well as Juniors.

FRESHMEN HISTORY

The freshmen enter the realm, Frontierland, as they start their first day of high school. As each day of school passes, they become more and more familiar with the school. At the Freshmen-Sophomore Reception, given to them by the Sophomores, they become better acquainted with their classmates. They soon elected their worthy class officers: John Wydenowski, President; Wilma Harris, Vice President; Peter Camerota, Secretary; and Ted Miller, Treasurer.

For the first time the underclassmen were allowed to participate in the school play. This included the freshmen, giving them quite an honor. Next year the freshmen shall be entering a new and different realm.

LITERARY STAFF

Every day of the week, the members of the staff could be found in the *Pegasus* Room busily doing jobs assigned to them by the co-editors, Pat Lodge and Charles Smith. There was much writing, editing, arranging, and identifying to be done.

Chief artist, Sandy Steward, chief typist, Joan DiNicola, and their co-workers were constantly busy.

The staff was very grateful for the able assistance given by its literary adviser, Mrs. Bordner.

BUSINESS STAFF

Each member of the staff was responsible for the collection of money from at least one underclassman homeroom for the payment of personal yearbooks of these underclassmen.

It was the job of the chairman of the staff to take charge of daily recepits. The business staff contacted local merchants to secure advertisements.

Miss Weber was the adviser of the business staff and the members wish to express their thanks for her assistance.

NATIONAL HONOR SOCIETY

To be a member of the National Honor Society is one of the greatest honors a student may obtain in our high school.

Every year a number of juniors are eligible to be a member by having an average of 85% or better. These names are submitted to the teachers, who in turn choose the members according to the qualities of leadership, character, scholarship, and service. If a student isn't chosen during his junior year he may still be chosen in his senior year.

We heartily suggest to the underclassmen to study hard and develop into a good student. This is not said only so you may be a member of this society, but that you may also exemplify the qualities which make a successful person.

PAULSENTINEL

Our school paper, the Paulsentinel, has two staffs. The Literary Staff writes the paper and the Business Staff finances the paper. Each staff meets on Thursday morning during club period.

Marguerite Piazza and Joan DiNicola are the Co-Editors of the Literary Staff. The Associate Editor, and one of next year's co-editors, is Jerome Delamater.

Mr. Healy and Mr. Dragisich are the advisors for the year.

The Business Staff is under the direction of Alleen Bruner, and her assistant is Diane Knestaut. This staff is responsible for the financing and publicity of the paper. The staff advisor is Miss Nancy Carlin.

These are just a few of the people responsible for the publication of the paper. The students of P.H.S. thank them deeply.

STUDENT COUNCIL

The Student Council is a representative organization dedicated to service. Its purpose is to develop leadership by using the principles of democratic government, to encourage good citizenship in our school, and to help produce cooperation and understanding between students and the faculty.

To be a member of the Student Council, a student must be chosen as his homeroom representative. Membership in this organization is an honor and also a responsibility. The officers are elected by the entire student body after having been chosen by a nominating committee. This year our very able officers were: President, Gary Horman; Vice-President, Betty Rutherford; Secretary, Judy Swed; Recording Secretary, Bernardine Beckett; Treasurer, Jean Carfagno. They were under the guidance of the faculty advisor Miss Madciff.

MUSIC

MR. CULBERT

The music department is a very essential part of our school life. This year our band is larger than it has been for many years.

Our band, directed by Mr. Culbert, marches at the football games and plays at the assemblies. It takes part in the Christmas Concert, as well as, the Spring Concert. Ronnie DiNicola, for the fourth year will represent Paulsboro High School in the South Jersey Band Concert.

The Dance Band plays for the special school functions such as dances and the school play.

There is a Boys' Chorus and a Girls' Chorus. They sing in our assemblies and for special occassions in the school.

The more talented singers from these two groups, sing in the Robed Choir, under the direction of Mrs. Moore. They sing sacred songs for the Thanksgiving and Christmas Assemblies. They also take part in the Christmas and Spring Concerts.

This year four people from our Robed Choir were chosen to represent Paulsboro in the South Jersey Chorus at Lakeland. For the first time in many years, one of our students was chosen for All State Chorus. Florence Steward will be the representative for Paulsboro High School.

FOOTBALL

Mr. Ridinger put together another championship team again this year. "The Red Raiders" captured every title possible. They won the Gloucester County, Colonial Conference, and Group III championships with a record of seven wins and two losses.

At the beginning of the season many newspapers quoted a gloomy outlook for our "Big Red." But, with skill and the determination to win, our "Oil Town Lads" showed them they were very wrong.

Many honors were bestowed upon our players. Joel Gotchel, Willie DiTonno, Jim Shirk, and Walt Valesky received second team berths on the All S.J. Group III team. Willie DiTonno, Jim Shirk, and Walt Valesky were first team choices for All Colonial Conference and Joel Gotchel re-

ceived a second team berth. There were many honorable mention winners on the great 1958 squad.

This year "The Red Raiders" broken a five year jinks and beat Haddonfield. Clayton, Haddon Heights, Merchantville, Overbrook Regional, Triton, and our arch rival, Woodbury, suffered losses at the hands of the "Big Red."

Our only losses were to Audubon and Glassboro.

"Let's get out to practice" is a saying heard frequently by the Raiderettes, who were coached this year by Miss Seidler.

The co-captains this year were Dot Johnson and Kathy Stone. The other seniors on the squad were B. Rutherford, T. Duca, C. Lyons, L. Davis, and A. Mattson. The squad had a very successful season, winning eight, tieing three, and losing one. They came in second place in the league.

The team's managers were Marguerite Piazza and Jackie Clift, both seniors. Mrs. Staton coached the J.V. team.
